Copyright Notices and Licenses

Each of the entries below lists the license, and any specific actions needed to comply with the license beyond attribution, copyright notice, and listing of license. Each license is represented in the font and format as found on the web source.

1.0 Bouncy Castle

Modifications: This is a special distribution of the Bouncy Castle Library that excludes the JCE provider and lightweight API packages. The IDEA algorithm, which used to be commercially licensed, is not included in this distribution of the Bouncy Castle, nor is it used anywhere within the PingFederate software.
